United States Department of Agriculture,

DIVISION OF PUBLICATIONS—Circular 8.

JOS. A. ARNOLD, Editor and Chief.

WASHINGTON, D. C., March 10, 1913.

PUBLICATIONS OF THE BUREAU OF BIOLOGICAL SURVEY.

NOTE.—Application for publications in this list should be made to the Editor and Chief of the Division of Publications, United States Department of Agriculture, Washington, D. C. The editions of some of the publications are necessarily limited, and when the supply is exhausted and no funds are available for procuring additional copies, applicants are referred to the Superintendent of Documents, Government Printing Office, who has them for sale at a nominal price, under the law of January 12, 1895. Applicants are urgently requested to ask only for those publications in which they are particularly interested. The department can not undertake to supply complete sets, nor is it allowable to send more than one copy of any publication to an applicant.
